**THIRD SUPPLEMENTAL REISSUE APPLICATION DECLARATION  
AND POWER OF ATTORNEY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name. I am the original, first and sole inventor of the subject matter that is described and claimed in U.S. Patent No. 6,306,358 B1, granted on October 23, 2001, and for which reissue is sought.

This declaration supplements the reissue declaration I executed on June 30, 2006. As explained in my prior declaration, my name has reverted to "Osamu Yamamoto," so I no longer request correction of my name on U.S. Patent No. 6,306,358 B1.

I affirmatively state that U.S. Patent No. 6,306,358 B1 is not assigned that and I am the sole owner of U.S. Patent No. 6,306,358 B1.

I believe the original patent to be wholly or partly inoperative or invalid by reason of claiming less than I had the right to claim in the patent. At least one error on which the reissue is based is described as follows: In the prosecution of the original patent my attorneys and I

inadvertently failed to present claims directed to the crystalline turbostratic boron nitride products disclosed in Examples 6 and 7 of the specification. In particular, my patent attorneys and I inadvertently failed to claim crystalline turbostratic boron nitride products exhibiting the X-ray diffraction patterns depicted in FIG. 7 of this patent and explained at column 19, lines 18-37. The failure to claim this omitted subject matter resulted in my claiming less than I am entitled to claim in granted claims 1-6, which are erroneous because of this omission. New claims 7-20 are directed to that omitted subject matter.

All errors being corrected in this reissue application up to the time of execution and filing of this Declaration arose without any deceptive intent on my part.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with 37 C.F.R. § 1.56(a) and (b).

I hereby claim foreign priority benefits under 35 U.S.C. § 119 of any foreign application(s) for patent or inventor's certificate or of any PCT international application(s) designating at least one country other than the United States of America listed below and have also identified below any foreign application(s) for patent or inventor's certificate or any PCT international application(s) designating at least one country other than the United States of America filed by me on the same subject matter having a filing date before that of the application(s) of which priority is claimed:
